

Two Ways of thinking...

Applicable for individuals and organizations.

Mediocre thinking for sure
FAILURE

If **one** can do it,
Let him (them) do it.
If **no one** can do it,
how can I (we) do it?

Extra-ordinary thinking for
Sure *SUCCESS*

If one can do it,
I (we) too can do it.
If no one can do it,
I (we) MUST do it.

Two different results !!!.
